I am 25 years old. I have bachelor degree in Social Work and master of Business and Management.

During my studies I was involved in the intensive projects which took places in Austria, Latvia, Sweden

and Belgium. I was an exchange student in Finland and Hungary, I did my Erasmus internship in Spain,

Portugal and Italy. I was working in Mykolas Romeris University as an Academic Manager of the Business

and Media School. I was responsible for students of double and joint degree programs in corporation with

Middlesex University and Fernando Pessoa University as well as international students. I participated in

staff training week "International Communication" (Sweden).
