Hello

My name is Gediminas Mockapetris I'm ationality - Lithuanian

Currently living In Lithuania

I'm a multi trade person could do a wide range of building works

Head my own company for 8 years done extensions, loft conversions, refurbishments, conversions to flats, basements, garden outbuild, saunas, summer houses and lots more

Can do plumbing, electrical, structural works, carpentry, tiling, bricklaying, landscaping, paving, drainages, concrete works, ground works and lots of other works.

Have good managing skills, can deal with suppliers as with clients too, can be a good team leader Have good communication skills, good trouble sorting skills, good management working under pressure

Can read drawings, deal with architects, structural engineers and building control Have average to good computer skills

Driving licence category- B

Due family circumstances I have to change the way I work so have to star all from scratches, I'm pretty shore I can be very useful for any company and would be happy to use my knowledge and experience to grow and help to progress for the team. I'm fast learning and quickly adapt to new team any courses or learning options most Welkom as I love challenges.

I'm multilingual person:

Lithuanian - excellent, written and spoken (Home Language)

English - excellent, writer and spoken

Polish - good, spoken

Russian - good, spoken

German - Basics understanding

Can be useful for any company in any aspect of work If interested pleas get in touch on:
