---

A highly skilled and experienced legal professional with over a decade of expertise in various aspects of civil law, including land law, money recovery, and commercial law. Possesses a proven track record of navigating the legal complexities of both government and non-government organizations. I have completed a B.A. from the University of Colombo and an LL.M. in Commercial Law from Cardiff Metropolitan University in the UK. Recently added to the credentials an LL.M. in Legal Tech from the MRU University in Lithuania and equipped with additional qualifications in Human Resource Management, Fintech, and Psychology, enabling comprehensive understanding and expert advice on data privacy issues. Demonstrates proficiency in legal research and writing and exceptional communication and interpersonal skills. Possesses the ability to work independently while also thriving in collaborative team environments.
