📄 Trumpas prisistatymas

My name is Ksenija Bogdanova, I'm 20 years old student. I am responsible, active and communicative; look at life positively, able to work well in a team. I believe that my knowledge, skills, experience and personal characteristics, such as intensity of innovation, dependability, responsibility, diligence, ability to quickly assimilate knowledge, communication can be successfully used in your company's goals.

I speak fluently in English, Russian, Lithuanian and also have Polish basics. Looking for any kind of job. Moreover, I have experience in customer service. Know how to work with a computerized cash register (Directo program).
