Respect sir,

I am Satish Kumar. I live in Tamilnadu state in India. I have completed high school. Over the years I have been doing many different types of work. I have the knowledge-based ability to learn any job in a short period of time. I have a lot of experience in all the work I do with passion and success.

- 1) I am in Eastern Condimental Pvt Ltd (Spice Factory) for three years (2016-2019) as Packing Machine Operator and Forklift Operator, Logistics Field Pickers @ Packers, Loading Unloading (up to 25 kg).
- 2) I have also worked in various departments in housekeeping cleaning of ISS Facility Services India Pvt (2020-2022). I have two years of experience.
- 3) Then I worked in G4S Security Solutions India Pvt Ltd as Security for two years (2019@2023). I have experience in all of these.

Also, I have the ability to learn warehouse workers operators, construction workers knowledge and energy in a very short period of time. It will be very helpful if you give me any job offer through your company. I humbly request that I will do any job you give me with hard work, honesty and integrity.
thank you.
